About Us

Higher Education and Research Society is a Mumbai based international learned society concerned with the advancement and understanding of higher education, especially through the insights, perspectives and knowledge offered by the systematic research and scholarship. The Society aims to be the leading international organisation in the field to support and disseminate research and education. We commit sustainable development and focus on the solutions to spread the scientific attitude in academicians and citizens, practical and solution-based approach to higher education in general; introduction of applied education, social inequality, awareness of literature and language, climate change and many more...

The Society intends to play a role of a catalyst to enable researchers in different regions and disciplines to exchange information, share discussions on professional and theoretical issues, and initiate and co-ordinate research. Purely committed to the cause of academics in a 'top-down pattern', the prime goal of the society is to encourage and foster research by providing a platform to showcase the innate research aptitude of the academicians. Promoting academic research and scholarship into Language and Literature, Humanities, Basic Sciences, Technology and Management streams, the society is determined to bring about a scholarly get-together of the intellectuals.

The society has to its credit three mega international conferences held at Pune and Nagpur with 400 plus delegates each time, a workshop and many MoUs with Research Centers. For the future conferences the Society invites applications from reputed institutions as 'Venue Partners' in India.

Concept Note

Innovative teaching is a proactive approach to integrate new teaching strategies and methods into classroom. Teacher tries his best to impart knowledge to the students in a way it is best understood. He uses various communicative methods to teach students, so the teaching stays alive and connect in the vein of fulfilling his objectives of teaching. The use of innovative strategies in teaching has a potential to improve the entire education system and strengthen the student learning experience. The primary aim of innovative teaching is to encourage students and engage them more in learning process.

The innovation in the teaching totally depends on the creativity and resourcefulness of the teacher. This teaching strategy aims at breaking the monotony of learning and teaching process. Innovative teaching strategies would make the learning a fun and thrill for the students. There are numerous challenges in the field of education; we need to reinvent the best one in 'teaching'. This innovative teaching requires innovation and out of box thinking. It is a radicalisation of the age old techniques prevalent in the arena of teaching.

"If a child can't learn the way we teach, may be we should teach the way they learn." -Ignacio 'Nacho' Estrada

In the innovative teaching multi-sensory interaction plays very pivotal role for the involvement of students in classroom. The multimedia is a tool, focuses on the sensory interaction with the help of text, images, audio, video etc. Innovative teaching methods are broadly based on the new technology to enhance the student's experience of learning. The traditional teaching method where teacher speaks and students are silent listeners, but the new innovative teaching cracks the monotony of learning. Though there is talk and chalk method but it is not that impressive throughout the lecture. Nowadays there is democratization of knowledge and the role of a teacher is changing to that of facilitator. Innovative teaching strategies will provide an opportunity for teacher to learn about new insight and strategies for teaching students. This is a novel instructional practice. The best teachers are not happen by the practice but they emerge when they learn students' behaviour and adopt an appropriate instruction methodology. The innovative teaching is purely a student centric learning process. The study and discussion about innovative teaching will bring out the best teaching strategies or formulate novel teaching strategies among the teaching fraternity.

This seminar is expected to render an interdisciplinary platform for academically intellectual discussion focusing the central themes of the conference. Research papers are invited from the wide disciplines for this mega academic event. Interested experts, scholars, teacher and researchers are invited to participate in the conference with any of the themes related to the seminar topic.

About Pune

Nestled on the leeward side of the Sahyadri Mountain range, Pune is the ninth largest city in India and the second largest metropolis in Maharashtra. Rajgad in Pune District was the capital city of the emperor Chhatrapati Shivaji Maharaj, the founder of Maratha Empire. Pune also known as cultural capital of Maharashtra reflects a blend of tradition and modernity.

Popularly known as the “Oxford of the East” or “Capital of Learning”, Pune has a large number of educational institutes that attract students from across the globe. While it has been a corporate stopover, the city has its mix of potpourri and culture which makes for interesting sightseeing within the city and in adjoining areas. Some of the important sightseeing are the historical Aga Khan Palace reflecting the footprints of Indian freedom struggle, the memorial of the Maratha noble Sardar Shri Mahadji Shinde, the founder of Scindhia dynasty of Gwalior at Shinde Chhatri, a famous Market Tulshi Baug, Sir Jamshedji constructed Bund Garden, Purandar Fort- the birth place of Chhatrapati Sambhaji Maharaj and Sinhgad Fort- a mark of Maratha victories provides a trekking experience engulfed in a historical ambience. The nearby hill stations for its breath taking scenic beauty at Lonawala and Lavasa cities are remarkable. This city is a citadel of social reformers and spiritual gurus and their presence could be felt on the beautiful campus of Osho Ashram, a picturesque hill of Parvati and temple of goddess Parvati, grand Shrimant Dagadusheth Halwai Ganesh Temple, Samadhi of Saint Dnyaneshwar at Alandi, marks of indivisible preaching in the form of divine poetry of Saint Tukaram at Dehu and his Gatha Temple. The city is particularly well known for being the trail blazer of women education across the whole country with Savitribai Phule being the first Indian lady teacher. Pune is very well connected by air, rail and road. The nearest Airport is Lohegaon, Pune; the second nearest Airport is Chhatrapati Shivaji International Airport, Mumbai. City Buses ply from bus stations at Shivaji Nagar, Pune Station and Swargate to the venue.

The major tourist / pilgrimage destinations within the approximate peripheral area of 200 k.m. from Pune include the Hill Station- Mahabaleshwar,

Vipassana Research Institute of Igatpuri, Tryambkeshwar, Panchwati (Nashik); Shirdi; Mahalaxmi, Jyotiba, Panhalgad Fort (Kolhapur); Raigad Fort, Harihareshwar, Dive Agar Beach (Raigad); Ajanta and Ellora; Gateway of India, Haji Ali, Siddhi Vinayak, Essel World, Adlab Imagica (Mumbai) and major beaches of Konkan.
